ON	●			
ON		●		

Pressing and holding the button shows the condition of the Li-ion battery. The Li-ion battery (SW9) starts charging once the AC adapter is plugged in or when the solar panel is in direct sunlight.

PLUGGING IN THE AC ADAPTER

The Soulra XL comes equipped with an AC adapter. Plug the AC adapter into the right socket labeled DC located under the rubber plug on the side of the Soulra XL. Plug the other end into an AC socket. With the AC adapter plugged in, the Soulra XL starts charging its Li-ion battery and is ready to play.

CHARGING AN iPod AND iPhone

The iPod AND iPhone starts charging once it is inserted into the dock (if the <charge> is set to 'ON'). When the Soulra XL's **POWER** is **OFF** it can still charge your iPod and iPhone. Please be advised that leaving your iPod/iPhone after it has received a full charge from the Soulra XL, if <charge> is still set '**ON**', it will continue to drain the Soulra XL's internal battery.

ADJUSTING THE VOLUME + –

Press the volume buttons, **+ –** , to increase or decrease volume levels. The volume value will be shown on the iPod/iPhone if it is inserted into the docking station.

BASS BOOST FUNCTION

Press the **bass** button to turn on Bass Boost.

AUX (AUXILIARY)

The **aux** button switches between the iPod/iPhone and AUX-input if there is a signal from the port. The iPod and iPhone signal takes priority if there is a signal and an audio-in signal at the same time. If the audio-in signal is present, the switching function of the '**AUX**' button is available. The **AUX** light turns on when auxiliary input is being used.

PLAY/PAUSE ▶II

Pressing the ▶II button switches from play to pause for the iPod.

FWD/REW, ⏮ ⏭

Pressing these buttons, ⏮ ⏭ , selects previous track/next track with a short press; hold down to scrub forward/reverse.

LIMITED WARRANTY

Etón Corporation (Etón) offers a limited warranty to the original customer against manufacturing defects in material and workmanship on this product. This warranty is valid only for the original purchaser and is not transferable.

TWO (2) YEARS PARTS AND LABOR - Europe
ONE (1) YEAR PARTS AND LABOR - North America
This limited warranty begins on the original date of purchase, and is valid only on products purchased through an authorized Etón retailer. Warranty repairs must be performed by Etón or an authorized service center. To receive warranty service, the original dated bill of sale, or a copy, must be presented upon request as proof of purchase. Installation, removal or reinstallation of the product is not included under this warranty. Shipping to Etón or the authorized service center is the responsibility of the purchaser. For products purchased in Europe, please return to your dealer or the distributor of your country, which is listed on a sheet included in the packaging.

Etón will repair or replace this product, at our option and at no charge, with new or reconditioned parts if this product is found to be defective during the limited warranty period. To be eligible for warranty coverage, the product must be returned with shipping charges prepaid no later than 15 days after the expiration of the warranty period to Etón or the designated service center. Prior to returning any product for warranty service, the purchaser must contact Etón or the designated service center for troubleshooting and service procedure instructions. Damaged parts or products become the property of Etón. Parts and products replaced by Etón assume the remaining original warranty, or ninety (90) days, whichever is longer.

This limited warranty covers manufacturing defects in material and workmanship encountered in normal, noncommercial use of this product and shall not apply to the following, including, but not limited to: damage that occurs due to applications and uses for which the product was not intended; failures or problems that are caused by products or equipment not supplied by Etón; accidents, misuse, abuse, neglect, misapplication, fire, water, lightning, or other acts of nature; incorrect line voltage, fluctuations, or surges; damage caused by improper or faulty installation; damage caused by acid leakage from improperly installed or defective batteries; product alteration or modification; or use of unauthorized parts, supplies, accessories, or equipment that damage this product or result in service problems.

SERVICE INFORMATION
To obtain service for your Etón product, first contact an Etón service representative at 1-800-872-2228 US, 1-800-637-1648 Canada or your respective country distributor in Europe (see enclosed list) for troubleshooting. Many common questions and problems can be resolved over the phone.
